Spring 2020

Town Tidbits

Pet Owners

- ◆ A friendly reminder to renew your dog/cat license! All dog/cat licenses are valid for one year with renewal required at the beginning of each year.
- ◆ Please clean up after your pet, whether it be on your private property or public property.
- ◆ We have received a number of complaints regarding stray cats and dogs. We would like to ask residents to please be courteous and ensure your cats and dogs are properly secured or confined.

2020 Waste and Recycle Schedule

April 6	Garbage	April 8	Recycle
April 20	Garbage	April 22	Recycle
May 4	Garbage	May 6	Recycle
May 18	Garbage	May 20	Recycle
June 1	Garbage	June 3	Recycle
June 15	Garbage	June 17	Recycle
June 29	Garbage	July 1	Recycle

Garbage and Recycling carts are to be put out on the street BEFORE 7AM, and brought in after garbage or recycling are complete. If you miss pick up because your bin was not out at 7 AM, it is your responsibility to dispose of the contents if required.

BEFORE YOU BUILD

- A building permit is required to ensure that all buildings are constructed in accordance with the National Building Code.
- Starting a project before obtaining a permit can result in increased fees, as well as time and expense to change plans.
- If you hire an out of town contractor, you are required to have them provide proof of business license from the Town of Radville.

THE TOWN OF RADVILLE

NOTICE TO THE PUBLIC

RE: COVID-19 (CORONAVIRUS)

The Town Office is now closed to the public, however the Town Staff will remain at work. Public Works Staff will be limiting public interaction.

WE ASK THAT EVERYONE PLEASE ADHERE TO AND FOLLOW THE GUIDELINES PUT IN PLACE BY THE GOVERNMENT.

We ask that all business be conducted through e-mail or by telephone during regular business hours.

Any payments can be left in our drop box, mailed, paid on-line or e-transferred.

THANK YOU FOR YOUR PATIENCE DURING THIS CHALLENGING TIME, PLEASE STAY SAFE AND HEALTHY.

Help Prevent the Spread of Dutch Elm Disease

- * No pruning of elm trees from April 1st to August 31st.
- * Never include elm tree branches with other branches.
- * Call the Town Office if you suspect a diseased elm tree.

◇ Taxes and utility bills may be paid electronically through your online banking. Please contact the Town Office to obtain your account numbers. Electronic payments for utilities and taxes are a convenient way to pay your bills.

◇ In addition to e-billing utility and tax bills we are now able to send e-receipts! If this is something of interest to you and you would like to receive your receipts and invoices by email please email your request to town.radville2@sasktel.net.

- ◇ Utility bills are sent out quarterly—end of March, June, September and December. If for any reason you do not receive your bill in the mail or by email within the first week of the following month, notify the Town Office.
- ◇ To ease the burden on our resident's, the Town of Radville has waived all interest fees normally charged for the months of April, May and June.

To report burnt out street lights, please contact SaskPower.
You can call 1-888-757-6937 or go online to www.saskpower.com.

Check It Out...

- The Town's Facebook page is one way we like to keep residents informed. Please like our page Radville Sask and share any posts.
- Local business directories are available on our website. If you are a local business and would like to be added to the town business directory please contact the Town Office.

Be Courteous...

When Town employees are busy cleaning the streets or doing any other work on the streets, please take precautions when passing Town equipment. If you happen to see the crews working on the streets please find an alternate route until the work is complete. For your safety and that of staff please stay clear.

Benefits of Reading Your Water Meter

- Regular reading of your water meter allows you to keep your account current and accurate.
- Your water bill is then based on your actual consumption instead of an estimate that could result in inaccurate billing.
- If you have had a number of estimated reads, followed by an actual read — you may see a sudden rise in your water bill amount if your water consumption was higher than what was estimated.
- When you do consistent, actual reads you can monitor your actual water consumption — this can help identify any plumbing leaks in toilets or fixtures sooner — saving money.
