Addition to the Fire Department

Radville Laurier Fire Department, the Town of Radville and the RM of Laurier #38 would like to extend a big THANK YOU to K+S Potash in Bethune for their generous donation of a fire truck. The fire department is excited to add this unit to their resources.

The fire department is still looking for donations to help fund the purchase of a brushland truck and water tanker, as well as replacing some other tools and equipment that were lost in the fire. If you are interested in making a donation, please contact the Town Office. Donation receipts will be issued.

When Town employees are busy cleaning the streets or doing any other work on the streets, please take precautions when passing the Town equipment. If you happen to see the crews working on the streets, please find an alternate route until the work is complete. For your SAFETY and that of the staff, please STAY CLEAR.

Any resident who owns a dog/cat within Town limits must register their pets with the Town Office. Licenses are due January 1st of each year. The fee is \$20 per animal, unless it is considered to be a restricted dog. Restricted dog license fees are \$250 per dog. Please refer to bylaw No. 2016-15 for a list of restricted dogs.

If you have an event that you would like shared, please let us know. We can post your event with Discover Weyburn and AM 1190. This is a great resource to spread the word on upcoming events.

E-Transfers Accepted

The Town is starting to see more and more customers paying their bills by e-transfer. This can be a much more convenient way for some of our customers to pay their bills.

We would like to ask that you use the message option in the e-transfer to specify what you are paying. We receive payments for utility bills, taxes and account receivables. If you specify what you are paying, there is less room for error.

E-transfers can be sent to either town.radville@sasktel.net or town.radville2@sasktel.net

Protect your elm trees

Do not prune elm trees between April 1 & August 31

To reduce the risk of Dutch Elm Disease (DED), pruning of elm trees will once again be prohibited throughout Saskatchewan from April 1 to August 31.

Elm bark beetles that spread the disease are most active during this time of year. Fresh cuts from pruning can attract the insects and increase the chance of a DED infection.

Proper elm tree pruning outside the annual ban period helps keep trees healthy and better able to resist all diseases, including DED. Removing dead and dying elm wood through pruning also helps reduce places for beetles to breed, and curbs their population. Throughout the year, including during the ban period, DED-infected elms should be removed promptly.

Provincial regulations require commercial pruners of elm trees to complete a recognized training program or be under the supervision of someone who has. Improper pruning techniques can spread many tree diseases, including DED.

Because of the risk of spreading DED, transporting or storing elm firewood is illegal. Elm Wood must be disposed of promptly, using the method and locations chosen by each municipality.

For more information about Dutch Elm Disease Control regulations and safe elm wood disposal, contact 1-800-SASK-ELM (727-5356).

Council Meetings

Council meetings are **Open to the Public**. Meetings are normally held the 2nd and 4th MONDAY of each month. If a Statutory Holiday falls on a regularly scheduled Council meeting, the Council meeting will be held on the Tuesday. Meetings are held in the Council Chambers of the RM of Laurier Office (505 Healy Ave.) at 7:00 pm

The Council meetings for the balance of 2023 are as follows:

April 10 & 24	May 8 & 23	June 12 & 26
July 10	August 14	September 11 & 25
October 10 & 23	November 13 & 27	December 11

OFFICE UPDATE

We are currently working on getting the old office site cleaned up so that construction can begin on a new Town Office, Shop and Fire Hall. While we still don't have dates or a design for this, rest assured, we are doing our best and working hard to make things happen.
