## FYI.....

- \* Don't forget to sign up for NOTIFY BY NETWORK to receive notifications for emergencies, reminders for meter reads, water outages and any other important information. Text "subscribe" to (306) 500-1919 or go to the link on our webpage and sign up there.
- \* If you would like to receive your tax and utility billings by e-mail please stop by the Town Office to sign the consent form, or email your request to town.radville2@sasktel.net.
- \* Town utility and tax billings can both be set up to pay through on-line banking. Contact the Town Office if you have any questions.

## Dog and Cat Owners

- Any resident who owns a dog/cat within Town limits must register their pets with the Town office.
  - Licenses are due January 1st of each year; the fee is \$20 for each dog/cat. Restricted dog license fees are \$250 per dog, please refer to Bylaw No. 2016-15 for a list of restricted dogs.
  - Pets shall wear a collar and the tag is to be attached to the collar. The purpose of registration is to have a record of dogs/cats in Town, which allows us to contact owners in situations where necessary.
  - No person shall possess more than 2 dogs or 2 cats per dwelling unit.
- Please stop at the Town Office to register your pet and pay your license fee.

## Snow Removal

The Town of Radville is reminding residents that when it snows, please do not push or pile snow on the street. The Town will not send out a grader or tractor to remove snow on streets that have already been cleaned. Please be mindful that when snow mounds build up it can cause visibility restraints for drivers.

Following a snowfall please move any vehicles parked on the street. This will assist the Town staff to be able to clear streets in a timely and effective manner.

## Winter 2023-2024

Wishing you a wonderful holiday season and all the best in 2024!

## New Town Office

We are thrilled to share some exciting news regarding the progress of our new Town Office. Over the past few months, significant strides have been made, and we are pleased to report that the project is moving ahead on schedule.

Key milestones achieved so far include:

1. **Foundation and Structural Framework:** The foundation has been successfully laid, and the structural framework of the new Town Office is now in place.
2. **Utilities Installation:** Utility installations, including plumbing and electrical work, are well underway.
3. **Exterior Finishing:** Exterior finishing touches, such as roofing and siding, are in progress.

We understand that the construction process may have caused inconveniences, and we sincerely appreciate your patience and understanding throughout this period of growth. Your cooperation has been invaluable.

We are confident that the new town office will serve as a central hub for community engagement and contribute to the overall well-being of our town.

Thank you once again for your patience, support, and understanding.

### Radville Laurier Regional Park Facility Upgrade

We are thrilled to share an update on the recreation upgrade project that aims to enhance our community's recreational facilities. Here are a few key highlights:

1. **Pool House:** The foundation and main structure are complete with construction continuing through the winter.

2. **Swimming Pool:** The majority of the swimming pool is complete. Mechanical and electrical work will continue in February and the remaining concrete and pool in the spring when the ground thaws.

3. **Campgrounds:** The mechanical and electrical is in the ground and earthwork substantially complete. Electrical pedestals, faucets, gravel and landscaping to be completed in spring.

4. **Recreation Center Renovations:** The electrical upgrades and RO system are complete in the rec center. Remaining renovations to continue in spring.

We extend our heartfelt gratitude for your ongoing support and enthusiasm for this project. Exciting times lie ahead, and we look forward to celebrating the completion of these fantastic additions to our community together.

If you are interested in donating please contact Shauna Bourassa — Fundraising Coordinator at 1-306-861-1731.

## Landlords Be Aware

Section 369 of *The Municipalities Act*, provides the authority to add outstanding utility accounts to the tax roll whether it was supplied to the owner or renter of the property. If the amounts are added to the tax roll of a parcel of land the amount is deemed for all purposes to be tax imposed from the date it was added to the roll and forms a lien against the parcel of land in favour of the municipality.

Once the outstanding amount has been transferred to property taxes, it is due and payable by the property owner.

As the property owner, you have the option to have the account for your rental property in your name, and subsequently charge your tenant through your rental rates.

A disconnection fee of \$75.00 is required when requesting the water be shut off as well as a \$75 reconnection fee when the water is requested to be turned back on.

## Registering Concerns

Please remember common courtesy when registering concerns with the Town of Radville. The Town policy is intended to set out the generally accepted procedures for residents when reporting concerns or filing complaints with Council or Staff.

All concerns/complaints must be clearly identified in writing and must fall within the ability of the Town of Radville to deal with under the current Provincial Legislation.

Any action requested or taken must be clear and transparent by the complainant.

Anonymous concerns/complaints will not be given consideration.

### Waste Management Area Hours

October 2023 — March 2024

Wednesday 1:00 — 3:00 p.m.

Saturday 11:00 a.m. — 2:00 p.m.

All loads taken to the Waste Management Area need to be tarped and/or secured to prevent loss of debris.

Violators will be fined.

The Waste Management Area is located 2 miles south, 2 miles east and 1/2 mile north of Radville.
