Spring 2024

# Town Tidbits

## New Town Office Building

Since our last update, significant strides have been made in the construction of the new town office building. Here are some key milestones achieved:

- Exterior Finishing: Minimal amount of exterior finish left to install.
- Interior Work: Drywall installation, paint, and cabinetry installation are well underway and close to completion.
- Utilities Installation: Plumbing, electrical and other essential utilities are close to completion.

Thank you for your continued support and patience as we work towards creating a modern, functional, and community-centric space for our Town.

## Radville Laurier Regional Park Facility Upgrade

We are excited to share the latest progress update on the development of our new pool, pool house, campground facilities and renovation to the recreation center.

- Pool House: Exterior finish to be completed in the near future along with the final touches to the interior of the building.
- Swimming Pool: Electrical work is in progress followed by the pool liner, concrete deck and installation of the new waterslide.
- Campgrounds: Installation of pedestals, faucets and landscaping to start in the near future.
- Recreation Center Renovations: Development of a new resurfacer room and renovations to dressing rooms will start in the near future.

Thank you for your ongoing support and enthusiasm for these initiatives.

We are excited and look forward to the completion of these projects in the near future!!

If you are interested in donating to the Radville Laurier Regional Park Facility Upgrade please contact Shauna Bourassa—Fundraising Coordinator at 1-306-861-1731.

## BEFORE YOU BUILD

- A building permit is required to ensure that all buildings are constructed in accordance with the National Building Code.
- Starting a project before obtaining a permit can result in increased fees, as well as time and expense to change plans.
- If you hire an out of town contractor, you are required to have them provide proof of business license from the Town of Radville.

## Office Hours

\*\*\*Shingles and construction material **ARE NOT** considered residential items and will be charged accordingly.\*\*\*

## Help Prevent the Spread of Dutch Elm Disease

- \* No pruning of elm trees from April 1st to August 31st.
- \* Never include elm tree branches with other branches.
- \* Call the Town Office if you suspect a diseased elm tree.

◇ Taxes and utility bills may be paid electronically through your online banking. Please contact the Town Office to obtain your account numbers. Electronic payments for utilities and taxes are a convenient way to pay your bills but are not instantaneous. Please allow 2-3 business days before any due date to avoid any penalty.

◇ E-transfer is another way of paying your tax and utility bills. We would like to ask that you use the message option in the e-transfer to specify what you are paying. We

received payments for utility bills, taxes and accounts receivables. If you specify what you are paying, there is less room for error.

- ◇ In addition to e-billing utility and tax bills we are now able to send e-receipts! If this is something of interest to you and you would like to receive your receipts and invoices by email please email your request to [town.radville2@sasktel.net](mailto:town.radville2@sasktel.net).
- ◇ Utility bills are sent out quarterly—end of March, June, September and December. If for any reason you do not receive your bill in the mail or by email within the first week of the following month, notify the Town Office.

## Council Meetings

All meetings are held at 7:00 p.m. in the Town Office.

<b>Monday, April 8</b>	<b>Monday, April 22</b>
<b>Monday, May 13</b>	<b>Monday, May 27</b>
<b>Monday, June 10</b>	<b>Monday, June 24</b>

## Be Courteous...

When Town employees are busy cleaning the streets or doing any other work on the streets, please take precautions when passing Town equipment. If you happen to see the crews working on the streets please find an alternate route until the work is complete. For your safety and that of staff please stay clear.

## Check It Out...

- The Town's Facebook page is one way we like to keep residents informed. Please like our page Radville Sask and share any posts.
- We are always looking for new ideas for our newsletter. If there is something you would like to see in the newsletter please contact the Town Office, we would be happy to hear from you.

## Pet Owners

- ◆ A friendly reminder to renew your dog/cat license! All dog/cat licenses are valid for one year with renewal required at the beginning of each year. Please stop at the Town Office to register your pet.
- ◆ Please clean up after your pet, whether it be on your private property or public property.
- ◆ No person shall possess more than 2 dogs or 2 cats per dwelling.

## NOTIFY BY NETWORK

To sign up for the FREE service, text "subscribe" to (306)500-1919. Notifications for emergencies, reminders and important messages are provided through this service.

## Benefits of Reading Your Water Meter

- Regular reading of your water meter allows you to keep your account current and accurate.
- Your water bill is then based on your actual consumption instead of an estimate that could result in inaccurate billing.
- If you have had a number of estimated reads, followed by an actual read — you may see a sudden rise in your water bill amount if your water consumption was higher than what was estimated.
- When you do consistent, actual reads you can monitor your actual water consumption — this can help identify any plumbing leaks in toilets or fixtures sooner — saving money.
