Summer 2024

Town Tidbits

THE TOWN OF RADVILLE

After months of hard work and dedication, we are excited to welcome everyone back to our brand new office at 522 Healy Avenue. This marks a significant milestone for our town, reflecting resilience and unity in the face of adversity. We would like to thank all residents for their patience and understanding as we transitioned to the new building.

POOL OPENING

The pool was operational on July 1st and we are excited to announce the Grand Opening celebration being held on Friday, July 12 at 4:30 pm. Please join us in celebrating this momentous achievement.

WATER RESTRICTIONS

Odd numbered houses—odd days
Even numbered houses—even days
Please do not water during the heat of the day.
Before 8:00 a.m. and after 6:00 p.m. is best.

Radville Public Library Hours

Monday—3:00-6:00 pm
Tuesday—10:00am-1:00pm
1:30-4:30pm
Wednesday—11:30am-2:30pm
3:00-6:00pm
Thursday—10:00am-1:00pm
1:30-4:30pm

BEFORE YOU BUILD

- A building permit is required to ensure that all buildings are constructed in accordance with the National Building Code.
- Starting a project before obtaining a permit can result in increased fees, as well as time and expense to change plans.
- If you hire an out of town contractor, you are required to have them provide proof of business license from the Town of Radville.

Pet Owners

- ◆ A friendly reminder to renew your dog/cat license! All dog/cat licenses are valid for one year with renewal required at the beginning of each year.
- ◆ Please clean up after your pet, whether it be on your private property or public property.
- ◆ We have received a number of complaints regarding stray cats and dogs. We would like to ask residents to please be courteous and ensure your cats and dogs are properly secured or confined.

Help Prevent the Spread of Dutch Elm Disease

- * No pruning of elm trees from April 1st to August 31st.
- * Never include elm tree branches with other branches.
- * Call the Town Office if you suspect a diseased elm tree.

ATV's are NOT for use within Town limits....

ATV's can only operate off the owner's property and within Town limits, by the most direct route available in order to operate these machines outside of the Town boundaries. Driving on/over lawns, through parks and on Town streets is prohibited.

You must be 16 years of age and hold a valid driver's license to operate an ATV on public land.

Youth between the ages of 12 and 15 can operate an ATV on public land and may cross roads (but cannot drive on roads) if they have passed an approved ATV training course, or if they're supervised by someone who has held a driver's license continuously for the last 365 days. The supervising rider can be riding a different ATV or be on the same ATV as the youth.

To report burnt out street lights, please contact SaskPower.
You can call 1-888-757-6937 or go online to www.saskpower.com.

Check It Out...

- The Town's Facebook page is one way we like to keep residents informed. Please like our page Radville Sask and share any posts.
- Local business directories are available on our website. If you are a local business and would like to be added to the town business directory please contact the Town Office.

Be Courteous...

When Town employees are busy cleaning the streets or doing any other work on the streets, please take precautions when passing Town equipment. If you happen to see the crews working on the streets please find an alternate route until the work is complete. For your safety and that of staff please stay clear.

NEW! Waste Management Area Hours June through September

Monday 5:30 pm—7:30 pm
Wednesday 5:30 pm—7:30 pm
Saturday 11:00 am—4:00 pm

NOTIFY BY NETWORK

To sign up for the FREE service, text "subscribe" to (306)500-1919. Notifications for emergencies, reminders and important messages are provided through this service.

Benefits of Reading Your Water Meter

- Regular reading of your water meter allows you to keep your account current and accurate.
- Your water bill is then based on your actual consumption instead of an estimate that could result in inaccurate billing.
- If you have had a number of estimated reads, followed by an actual read — you may see a sudden rise in your water bill amount if your water consumption was higher than what was estimated.
- When you do consistent, actual reads you can monitor your actual water consumption — this can help identify any plumbing leaks in toilets or fixtures sooner — saving money.
